# lead Coach Left Vizenor

Now entering his seventh season at the helm, head coach **Jeff Vizenor** has made his mark on Maverick women's hockey. When he joined the Maverick staff in 2001, he inherited a team that did not post a Western Collegiate Hockey Association victory the previous season. He led the team to a 4-26-2 mark his first season and a 10-21-3 mark his second.

Vizenor's third campaign could be described as nothing short of a benchmark season. The Mavericks posted the first winning season in school history with a 16-14-4 overall record, including wins over top-ranked Minnesota and Minnesota Duluth, and made their first-ever appearance in the WCHA Final Five and NCAA

Division I national rankings. Vizenor also mentored the program's first *Jofa Division I All-American* and *Patty Kazmaier* finalist in goaltender Shari Vogt. Following the season, he was honored by his peers with *WCHA Coach of the Year* distinction.

Last season, the Mavericks finished 16-17-2 overall and 12-14-2 in WCHA play to stand fifth. The highlight of the season was a home sweep of the University of Minnesota. The two wins capped a seven-game winning streak,

the longest in Maverick history. MSU also earned three points in a series with the University of Minnesota Duluth (5-3 win, 5-5 tie). The Mavericks had seven players earn weekly honors from the WCHA and freshman **Holly Snyder** was selected to the WCHA all-rookie team, the third Maverick to be selected to the team under Vizenor's tutelage. Heading into the 2007-08 season, he holds an overall record of 100-132-26 (.438) and 66-119-21 (.371) at MSU.

Vizenor came to Minnesota State following a one-year assignment as an assistant coach at the University of Wisconsin. The Badgers posted a 21-9-5 record and finished third in the WCHA that season. Prior to his stint in Madison, Vizenor served as the head coach at St. Mary's University on Winona, Minn., for two seasons. In that time, the Cardinals compiled a 34-13-5 mark and captured co-Minnesota Intercollegiate Athletic Conference regular-season titles both years. The 1998-99 MIAC Coach of the Year, Vizenor tutored nine All-MIAC players and took his 1999-00 team as high as second in the NCAA Division III national rankings.

The Rogers, Minn., native began his coaching career in 1990 as an assistant coach at St. Cloud Apollo High School in St. Cloud, Minn., serving in that capacity until 1993. From there, Vizenor completed a three-year stint as the assistant coach at Mora High School in Mora, Minn., earning Section 2 Assistant Coach of the Year honors in 1996. He would return to St.

# 2007-08 Outlook

Last season, sophomore **Christina Lee** was third on the team in points with 28.

Coming off a season in which the Minnesota State women's hockey team increased its win total by five games from the previous year, and including a sweep over powerhouse University of Minnesota and a three-point weekend versus Minnesota Duluth, expectations are high coming into the 2007-08 hockey season.

The Mavericks, who finished 2006-07 with a 16-17-2 record and ranked fifth in the Western Collegiate Hockey Association with a 12-14-2 record, recorded double-digit wins for the fifth time in the nine-year history of the program.

**Jeff Vizenor**, who is entering his seventh season as the bench boss of the Mavericks, liked what he saw last season from his squad in 2006-07.

"It was a very good season," said Vizenor. "We had a great

group of young women that accomplished things that no other Maverick team had. It was a tough end to the season with some injuries and illnesses at playoff time, but we battled and competed each night. Obviously, we had some big wins over Minnesota and UMD that people and players will remember, but I am also

very happy with how this team got along and worked together."

This year's team features a lineup consisting of seven seniors, one juniors, eight sophomores (two of which redshirted last year) and six newcomers, leaving the Mavericks with a nice balance of older and younger players to take on the rigorous schedule of the WCHA. depth at forward with sophomore Christina Lee (15-13--28), senior Kristina Bunker (8-18--26), senior Jodi Helminen (7-12--19), senior Amanda Stohr (7-8--15), senior Brittany Mackley (2-1--3) and sophomores Kala Buganski (5-10--15), Jenna Hewitt (1-0--1) and Ashley Young (6-10--16) as returning frontliners.

With the wealth of experienced forwards returning, Vizenor's expectations run high.

"I would expect all the players that were at the top of our scoring charts to repeat their efforts and add to it," said the Rogers, Minn., native. "I think that **Kala Buganski**, with a year of experience and a year in the weight room, will make big gains this coming year. I also saw **Ashley Young** get better each week of the season and see her having an even better sophomore campaign."

### **FORWARDS**

Led by junior Maggie Fisher, who stood atop of last year's MSU scoring charts with 17-17--34, and senior Lindsay Macy, who scored 16-17--33, the Mavericks boast a nice one-two offensive punch at forward. MSU claims offensive

Vizenor saw sophomore **Ashley Young** get better each week last season and expects more from her this season.

## **DEFENSEMAN**

The MSU blue line will be the area that takes the biggest hit with the 378 games of experience departed with the graduation of seniors **Sammy Jo Miller**, **Megan Jedinak** and **Richelle St. Croix**. Returning defensemen include senior **Andréanne Thilbault** (1-5--6) along with sophomores **Ida Clark** (0-5-5), **Kathleen Rosso** (0-3--3) and **Holly Snyder** (0-5--5). Snyder was selected to the 2006-07 *WCHA All-Rookie Team*.

## **GOALTENDERS**

Between the pipes, senior **Britni Kehler**, who played in over 95% of the action last sea-

son, is set to return for her final season as a Maverick. Posting a 2.78 goals against average last year and a .919 save percentage, Kehler will be considered one of the top-returning goaltenders in the WCHA.

Sophomore **Katerina Geertsen**, who played in three games last year is desribed by Vizenor as a "hard worker who has potential to see more ice time for us this year."

## **NEWCOMERS**

Adding to the roster mix are six newcomers. **Amy Udvig** (defense, New Brighton, Minn.), **Paige Thunder** (goaltender,

Cloquet, Minn.), **Kristi Ellis** (defense, Rodgers, Minn.) and **Ashley Bliskowski** (defense, St. Francis, Minn.), **Lisa Edman** (forward, Ornskoldsvik, Sweden) and **Nina Tikkinen** (forward, Salo, Finland).

Vizenor is confident that the incoming freshman can make a positive impact on this coming season.

"We will have some young defensemen that will need to learn the ropes of playing the game at the NCAA Division I level, but we are confident in all our freshman to make positive contributions both on and off the ice."

## **Alltel Center**

The Mavericks men's hockey team christened the Alltel Center Feb. 3, 1995 when they defeated Alabama-Huntsville 6-3 in front of 3,147 fans.

An integral part of the Mavericks' move to NCAA Division I status, the arena seats 4,704.

In just a short time, the Alltel Center has established itself as one of the Midwest's premiere centers for meetings and entertainment.

Operated by Compass Management, the Alltel Center has hosted nationally televised events, such as the Riders Professional Ladies Figure Skating Championships and Monday Nitro World Championship Wrestling as well as collegiate, international and professional sporting events.

The Alltel Center is made up of four components, including a 7,300-seat arena, a reception hall, conference center and a banquet/exhibition hall. They

also feature an in-house advertising agency as well as providing sales, catering and security staffing for all events.

The Alltel Center Conference Center is flexible to handle large or small groups. Equipment rental, high-tech teleconferencing links and full-service catering are available and the nine meeting rooms can be customized to meet the spacial needs of any group.

## Arena

State-of-the-art acoustics and a superb sound system make the Alltel Center Arena one of the finest in the country. With one of the largest floor capacities in Minnesota, the Arena has 7,300 seats available for concerts and has hosted some of the hottest national entertainment acts touring today.

### **Post-Game Events**

## All Seasons Arena

Opened in 1974, All Seasons Arena has served as the home of Minnesota State Hockey for more than 25 years.

With the completion of the MSU Hockey Complex addition (renamed The Don Brose Hockey Center in Oct. of 2000) to All Seasons Arena in the summer of 1999, the Mavericks can claim practice and administrative facilities second-to-none.

The facility is named after the former coach of MSU's men's hockey program, Don Brose. Brose, who led the Mavericks to a NCAA Division II title in 1980, completed his 30-year coaching career following the 1999-2000 season with a 536-335-79 record.

Constructed to accommodate MSU's men's and women's hockey programs, All Seasons Arena features several amenities in making it one of the top college hockey administrative facilities in the nation.

With two different-sized ice sheets - one regulation and one Olympic, ASA gives the Mavericks unique flexibility.

The two-story 96,000-square foot Don Brose Hockey Center, completed in August of 1999, boasts student study center/lounge area equipped with computers, video equipment and a big screen television.

The complex also includes a reception area, athletic training room, equipment room, men's and women's hockey coaches offices, weight room and locker room areas.

The Don Brose Hockey Center is located in All Seasons Arena at 1251 Monks, Suite 2 and the phone number is 507-389-1210.

With a noteworthy past that spans six decades and marks its 56th season overall in 2007-08, three characteristics that continue to define the Western Collegiate Hockey Association are history, tradition

From the founding days as the Midwest Collegiate Hockey League (MCHL) from 1951-53, to the Western Intercollegiate Hockey League (WIHL) from 1953-58, and ultimately on to the Western Collegiate Hockey Association in 1959, this prestigious athletic conference has developed and maintained a tradition of excellence that truly is second to none.

In fact, no collegiate conference - in any sport - can top the impressive list of national scale accomplishments of the WCHA and its member teams. Since 1951, teams representing the men's WCHA have earned a record 36 NCAA (national) championships, finished as the national runner-up another 27 times, and qualified for a berth in collegiate hockey's national championship round - the NCAA Men's Frozen Four - in 52 of 55 seasons overall. And since it's founding in 1999-2000, teams representing the women's WCHA have now captured eight consecutive national championships in 2000, 2001, 2002, 2003, 2004, 2005, 2006 and 2007!

In addition to its successes in national championship tournament play over the years, the Western Collegiate Hockey Association owns an enviable reputation for producing outstanding coaches and student-athletes, with hundreds upon hundreds of its alumni moving on to successful professional and Olympic playing careers. On top of the more than 200 men's and women's league alumni who have Olympic experience playing for the likes of the U.S., Canada, Italy, Norway, Austria, Germany, Sweden, Finland, and France, conference-member teams and players have also received additional international exposure on a regular basis since 1951. The WCHA has hosted touring teams from the USSR, Canada, Sweden, Czechoslovakia, Latvia, Germany, Italy, Finland, Norway, Switzerland, England and France. The league has also sent men's WCHA All-Star Teams to Europe in both 1998 (Switzerland) and 2000 (Norway) and hopes to make another overseas trip in the future, while the women's WCHA has also regularly put together all-star teams, with the 2005-06 season bringing WCHA All-Star Team games against the U.S. National Team at both Xcel Energy Center and the Duluth Entertainment & Convention Center. In 2006-07, the women's WCHA had nine current and seven former players compete at the 2007 IIHF Women's World Championship in Manitoba, with the likes of former and current WCHA stars Carla MacLeod, Caroline Ouellette, and Tessa Bonhomme winning Gold as members of Team Canada.

Just a few of the more than 350 past and present National Hockey Leaguer's who have roots in the WCHA include the likes of legendary goaltenders Tony Esposito, Eddio Mio and Glenn 'Chico' Resch, defensemen Keith Magnuson, Lou Nanne and Curt Giles, and forwards Lou Angotti, Bill Masterton, Bill 'Red' Hay, Red Berenson, Glenn Anderson and Mark Johnson. The current crop of WCHA stars playing in the NHL include the likes of Chris Chelios, Brett Hull, Dany Heatley, Mark Parrish, Jordan Leopold, Curtis Joseph, Greg Johnson, Sean Hill, Antti Laaksonen, Jason Blake, Tyler Arnason, Andy Sutton, Bret Hedican and Matt Carle.

WCHA home attendance for men's games reached another new milestone in 2006-07, this time surpassing the 1.6 million mark for the first time time with a record total of 1,606,686 and a per game average attendance of 7,370. The WCHA has now surpassed the one million mark in home attendance 14 straight seasons and 1.5 million for five straight seasons.

The WCHA also led the way again in women's national attendance in 2006-07. Wisconsin ranked first in average home attendance with at 1,362 for 20 homes dates. They also led the nation with a total home attendance figure of 28,607. Minnesota and Minnesota Duluth ranked second and third, respectfully, in both categories. WCHA home arenas were also the site of two of the top single-game attendance highs. Leading the way was the NCAA regional game at UW's Kohl Center against Harvard with 5,125 on March 10. Also ranked was a January sellout at Ridder Arena when Minnesota drew 3,251 for a game against Wisconsin. The Border Battle attracted 5,524 for the two-game series.

Over the last decade, the WCHA has been able to showcase it's exciting brand of hockey to an everincreasing number of fans, thanks in part to such impressive new facilities as Ralph Engelstad Arena in Grand Forks, Colorado Springs World Arena, the Kohl Center in Madison, Magness Arena in Denver, Mariucci Arena and Ridder Arena in Minneapolis, the National Hockey Center in St. Cloud,

The conference's two annual playoff championships, known as the Red Baron WCHA Final Five (men's) and the WCHA Championship (women's), continue to be among the most successful collegiate tournaments of their kind. Held at Xcel Energy Center in St. Paul, the WCHA Final Five has drawn in excess of 1,100,000 fans since it's inception in 1987 - including a record 88,900 in 2007. The women's 2008 WCHA Championship, set for next March 8-9 at the Duluth Entertainment & Convention Center, also continues to grow both in exposure and attendance.

Also in 2007-08, WCHA member arenas will be showcased throughout the hockey world as they will host several national events. On the final weekend of March, the Colorado Springs World Arena, home of the CC Tigers, will host the NCAA Men's West Regional while the Kohl Center, home of the UW Badgers, will host the NCAA Men's Midwest Regional. And the University of Denver will serve as the host institution for the 2008 NCAA Men's Frozen Four, to be held April 10-12 at Pepsi Center in the Mile High City. On the women's side, the Duluth Entertainment & Convention, home of the UMD Bulldogs, will host both the WCHA Championship on March 8-9 and the 2008 NCAA Women's Frozen Four from March 20-22.

Under the leadership and guidance of Commissioner Bruce M. McLeod and Associate Commissioner Sara R. Martin, the Western Collegiate Hockey Association proudly celebrates it's 56th season of men's competition and ninth in women's competition in 2007-08 with prospects for another tremendously competitive campaign being extremely bright.
